Sunday Meal Prep

Every prep-ahead task called out explicitly — shredding, roasting, dressings, portioning.

Design Rules (every week)

- 4'11" · ~195 lbs · GF · No shellfish · TTC-safe
- 🐟 **Fresh fish clustered Mon-Wed** (2-day fridge life after thaw)
- 🥗 **Max 2 batch dressings per week** — one citrus + one creamy
- 🍴 **All shredding, roasting, dressings, portioning done Sunday**
- 🍖 **Beyond Meat, ground beef, cubes rotate through the week**

TTC / Anti-inflammatory backbone

- ✅ Wild salmon 2x/week (low-mercury, high DHA)
- ✅ Eggs daily for choline
- ✅ Dark leafy greens + lentils/beans for folate & iron
- ✅ Full-fat dairy in moderation
- ✅ Kiwi vitamin C boosts iron absorption from lentils/beef
- ❌ No swordfish, king mackerel, tilefish, marlin, bigeye tuna
- ❌ No raw fish, raw eggs, unpasteurized dairy, unheated deli meat
- ⚠️ Caffeine ≤ 200 mg/day (~1 medium coffee)

Wegovy eating tips

- Protein first, always
- Sip liquids AWAY from meals (30 min before/after)
- Portion small; save the rest
- Cold foods on nauseous days
- Ginger tea = anti-inflammatory + settles nausea
